The Fiesta Experience

WHO ARE WE?

We are providers of Primary and Secondary school PE, after-school clubs and holiday camps based in the East Midlands. We specialise in youth development from ages 4 to 18 years old.

We have a strong reputation for Football coaching in South Leicestershire, Rutland, North Northamptonshire and West Cambridgeshire under our 'Fiesta de Futbol' brand which was established in 2012 and which has specialised in football holiday camps and after school practices with a Spanish theme.

OUR PHILOSOPHY

Fiesta Sports Coaching Philosophy is about ensuring young people are engaged in a fun, safe, sporting environment where they can enjoy themselves, learn to play as part of a team, make friends and receive expert technical tuition on how to improve.

We use the latest coaching insights and sporting practices and our curriculum is tried and tested across the East Midlands.
